

December 13, 2021

Dear Bayview Child Health Center Families,

I wish to inform you that I will be transitioning out of Bayview Child Health Center (BCHC). I have been immensely grateful to support our families over the past 5 years and will miss you all dearly.

Starting January 3, 2022, I will be in clinic on Mondays for any patient needs. My last working day at BCHC will be Monday March 28, 2022. After that date, other members of the BCHC team will be available to help you follow up on specialty referrals, refill prescriptions, consult on treatment plans which we developed together, or address other questions and needs which you may have.

If you would like to schedule an appointment with one of our other primary care providers, please call the clinic at (415)697-0500.

Dr. Yogesh Jagirdar, MD- Family Practice Physician and Chief Medical Officer sees patients Tuesday and Wednesday

We are actively growing our team and look forward to introducing you to our new providers as they join our practice.

Other Bayview Child Health Center staff who have worked closely with me are listed below:

Mark Rha, RN, Nurse Care Manager, works Monday through Friday.

Ali Rodriguez, PNP- Pediatric Nurse Practitioner and Access Nurse Manager works Monday through Friday.

It has been the honor of a lifetime to watch our families grow and work with all of you over the years. Please know that I hold each one of you in my heart as I move forward on this next chapter. I have no doubt that you and your families will continue to receive excellent family-centered and community-responsive care here in the years to come.

Yours sincerely,

Simone Ippoliti, NP
Site Director and Pediatric Nurse Practitioner
